I wanted to share this with CEAC. Dave Haddox did a great job in bringing together the work of Stew, June, and Bob.

Many thanks Dave. Comments from all are welcome. We can also discuss when together next Tuesday.

Pain Care Forum

This is the draft white paper for discussion. Bob Twillman, June Dahl, Stew Leavitt and Cindy Steinberg are the major contributors. Many thanks to them for their drafting. Our goal will be to get this is satisfactory form to share with CDC. The CDC has expressed a desire to join us at our February meeting to begin a dialogue and collaboration around the issues in this white paper. Your feedback is greatly appreciated.

Looking forward to our first meeting of 2012 tomorrow at 10:30.
